### Center Table- UCT19

**SIZE :-1200\*600\*450MM FINISH SPECIFICATION:** Wooden Center Table with an overall size of 1200mm in width, 600mm in depth, and 450mm in height. The frame of the table is crafted from solid teak wood, which is expertly polished in melamine for an elegant and durable finish. The table features an 8mm clear glass top, adding a touch of sophistication to the design. At the bottom of the table, a shelf is provided, which is constructed using 18mm MDF (Medium-Density Fiberboard) with a 4mm teak ply layer on top of the bottom shelf. The teak ply is also polished in melamine, allowing you to choose the desired shade to match your interior decor. This Wooden Center Table combines the natural beauty of teak wood with the practicality of a glass top and a lower shelf.
