

Corner Table

Corner Table- UCT50

Corner Table with a 25mm MDF (Medium-Density Fiberboard) Top and Chrome Plated Pipe Frame is a sleek and contemporary piece of furniture that adds a touch of modern elegance to any living space. The table's top is crafted from durable MDF, providing a smooth and sturdy surface for various uses. The 25mm thickness adds to its robustness, ensuring it can withstand daily wear and tear. The chrome plated pipe frame not only offers a clean and minimalist aesthetic but also provides reliable support and stability. This combination of materials creates a harmonious balance between style and functionality, making the Corner Table a versatile and eye-catching centerpiece for any living room or lounge area. Its timeless design allows it to seamlessly integrate into a range of interior styles, from minimalist to industrial, elevating the overall look of the space.
