

## Executive Table in veneer finish.

### Executive Table in veneer finish. - UET02

Size :- 6600(L)\*2400(W)\*750(H)mm, Overall size, measuring 6600mm in length, 2400mm in width, and 750mm in height. The tabletop is constructed from a substantial 36mm thick PLPB (prelaminated particle board), which not only offers a robust and reliable surface but also adds an elegant finish. The edges of the table top are carefully post form for a polished look and to enhance durability. Both the modesty panel and the gable end are made from 18mm thick plpb, duly edge banded with a 2mm thick PVC tape. This design ensures a professional appearance and the sturdiness required for such a substantial table. Each division of table having 1 flapper of size 400mm x 120mm, which allows for electrical provisions. This includes switches, sockets, and data connections, ensuring a well-connected and functional workspace for each division of the table.
