

Office Desk

Workstation- UET10

Size:- main 1800(L)*900(W)*750(H) with pedestal, Side unit 900(L)*500(W)*650(H)
Executive office desk and side table are meticulously designed to meet professional and aesthetic requirements. The desk features a robust construction using PLPB (Particle Board) Interior Grade with both side laminated (BSL) x one side laminated (OSL) to provide durability and a polished appearance, with 2mm thick PVC edge banding finish in an approved laminate shade. The 25mm thick PLPB top offers a sturdy and spacious work surface. The gable end and modesty panel, constructed from 18mm thick BSL PLPB Interior Grade, add structural integrity. The desk includes a pedestal unit made of 18mm thick PLPB, comprising 2 drawers and 1 filing unit, all equipped with telescopic channel drawer slides and central locking for secure storage. Exposed edges are carefully protected with 2mm PVC edge banding tape, ensuring a sleek look. The side table measures 1350mm in width, 450mm in depth, and 700mm in height. Its top is made from 25mm thick PLPB for durability, while the under structure utilizes 18mm thick BSLPLPB Board for stability. The table offers convenient storage space beneath the worktop with a shutter storage compartment and one shelf, featuring a locking mechanism for added security. The table's edges, whether exposed or non-exposed, are protected with 2mm PVC edge banding tape.
