

## 1-Seater Sofa

### 1- Seater Sofa- USF29

The frame is constructed from high-quality seasoned teak wood, which has been meticulously treated to resist termites, ensuring long-lasting performance. The seat is furnished with premium flat springs. Within the seat frame, expertly covered with coir, jute cloth, and markeen, further supported by a 4-inch thick ISI mark pinhole rubber cushion. This combination provides a comfortable and supportive sitting experience. The backrest and armrests of the sofa also feature high-quality flat springs, enveloped by coir, jute cloth, and markeen, and are adorned with a 2-inch thick pinhole rubber cushion. To enhance the ergonomic design of the back and armrests, high-density PU foam has been strategically incorporated. This not only offers a plush feel but also maintains the shape and integrity of the sofa over time. To complete the sofa's aesthetics and luxurious feel, it is fully upholstered with letherite tapestry. Letherite, known for its durability and sophisticated appearance, ensures that this single-seater sofa not only feels great to sit on but also adds a touch of elegance to any environment.
