

Side Table

Side Table- UST48

Side table measures 600mm in width, 600mm in depth, and 450mm in height. The table is constructed with a frame made of CRCA (cold-rolled close annealed) steel, ensuring durability and stability. The tabletop is composed of 18mm thick PLPB (prelaminated particle board), offering a robust and smooth surface for various uses. Additionally, the table features a bottom shelf, also made from 18mm PLPB, providing additional storage or display space. This corner/side table is designed to fit neatly in corners or alongside furniture.
