

Visitor Chair

Visitor Chair - UVC43

Visitor Chair with PP (Polypropylene) Armrests, a Pipe Frame, a durable Nylon Base, a Mesh Back, and a Crepe Tapestry upholstery. This chair is designed to provide both comfort and practicality in various settings. The PP armrests offer a comfortable place for visitors to rest their arms. The pipe frame ensures stability and durability, while the nylon base enhances the chair's overall strength. The mesh back provides breathability and comfort, allowing for better air circulation, making it a suitable choice for extended periods of sitting. The crepe tapestry upholstery adds a touch of elegance to the chair's design, making it a visually appealing and welcoming addition to any office or workspace.
