

Back Unit

Back Unit- UBU20

Back 1550*500*650MM Overall size of 1550mm in length. 500mm in depth, and 650mm in height. The entire body of the unit is constructed using 18mm thick MDF (medium density fiberboard), finished in veneer and duly polished with melamine for a sleek and polished appearance. The back drop unit features storage space beneath the top, which is divided into three compartments. The first and last compartments are equipped with 10mm thick glass shutters with metal profiles, and each has an adjustable shelf inside. These compartments are ideal for displaying and storing items that you want to showcase. The middle compartment is divided into four equal-sized open boxes, providing versatile storage for a range of items. This design allows for efficient organization and easy access to stored belongings.
