### Cafeteria Chairs - UCC38

Café Chair, a versatile and durable seating solution that is ideal for cafe and restaurant settings. This chair features a contemporary design with a seat and back, constructed from high-quality polypropylene (PP), ensuring longevity and ease of maintenance. The absence of armrests provides flexibility and makes it suitable for various seating arrangements. The chair is supported by a sturdy stainless steel (SS) frame, which not only adds a touch of modernity but also ensures stability and durability, making it suitable for high-traffic areas.
