

Table

Table- UCT04

Size :- 2100(L)*1050(W)*750(H)MM, Overall size of 2100mm (length) x 1050mm (width) x 750mm (height) The table top is constructed with an 18mm thick MDF (medium-density fibre board) Board, and on top of it, a 0.8mm thick (22 gauge) stainless steel sheet (202 grade) is securely mounted, ensuring smooth and soft corners for safety. The tabletop is supported by stainless steel legs, each having a square section measuring 40mm x 40mm with a thickness of 1.6mm the logs are positioned at the four corners of the table and provide stability. Additionally, four vertical post legs are connected with a horizontal pipes of size 40mm x 20mm, also with a thickness of 1.6mm. This framework design ensures the table's durability and strength while accommodating multiple users in a cafeteria setting.
