

## Mid Back Chair

### Mid Back Chair- UES-101

Mid Back Chair with PU (Polyurethane) Armrests, Gas Lift, Nylon Base, and Swivel Tilt mechanism. This chair is designed to provide both comfort and functionality for various seating needs. The high backrest offers excellent support to the upper back, promoting proper posture during extended periods of sitting. The PU armrests provide a soft and comfortable place to rest your arms while working. The Gas Lift feature allows for convenient seat height adjustments to accommodate different desk or workstation heights. The chair is equipped with a durable Nylon Base, ensuring stability and long-lasting performance. Additionally, the Swivel Tilt mechanism allows users to rotate the chair 360 degrees and adjust the tilt of the backrest, offering flexibility and customization for individual comfort.
