Executive Table- UET08

Size:- 2100(L)*1000(W)*750(H)MM with pedestal side unit 1200(L)*500(W)*750(H)MM, Overall size is 2100mm in length, 1000mm in width, and 750mm in height. The table top is constructed with a substantial 36mm thick MDF board, finished in veneer and polished to a melamine finish, which not only adds durability but also provides an elegant appearance. The gable end and modesty panel, both 18mm thick, share the same MDF board construction and veneer finish. To enhance its aesthetics and stability, the table features MS (mild steel) chrome-finished legs. These chrome-finished legs contribute to both the modern look and the table's sturdiness. The table is equipped with a mobile pedestal storage unit, which includes a drawer+drawer+file drawer configuration, offering a convenient solution for office storage needs. The side unit, with an overall size of 1200mm in length, 500mm in width, and 750mm in height, has a 36mm thick top and an under structure made of 18mm thick MDF board, finished in veneer and polished with a melamine finish. The side unit is divided into two compartments. The first compartment features a fixed drawer pedestal with a drawer+drawer+file drawer configuration for organized storage.
