

Executive High Back Chair

Executive High Back Chair- UHBC24

This chair features a high backrest for optimal upper back support and comfort during long hours of use. The metallic PP cushion armrests not only provide a comfortable and sturdy place to rest your arms but also add a touch of contemporary design to the chair. The chair is equipped with a torsion bar mechanism, which allows for flexible movement and adjustment, making it easy to find the perfect recline angle for work or relaxation. The gas lift feature ensures convenient seat height adjustments, allowing users to customize the chair to their desk or workstation. The chair's metallic chrome base not only offers stability and durability but also introduces a modern and sleek element to the chair's overall design. The chair's upholstery is adorned with Leatherite tapestry, providing a stylish and easy-to-maintain covering that adds a touch of sophistication to the chair.
