

## High Back Chair

### High Back Chair- UHBC35

High-quality High Back Revolving Chair with a range of features to enhance your seating experience. This chair is equipped with a tilting mechanism that allows you to adjust the recline angle, providing optimal comfort and support. The PP (polypropylene) arms frame not only adds durability but also offers a comfortable place to rest your arms. The chair is supported by a metal-inserted PP base, ensuring stability and longevity. The gas lift feature enables effortless seat height adjustments, allowing you to customize the chair's height to match your desk or workstation. The seat, back, and cushioned arms are upholstered in Leatherette tapestry, offering a luxurious and easy-to-maintain surface. This high back, revolving chair is a versatile and comfortable seating solution suitable for various settings.
