

Mid Back Chair

Mid Back Chair- UWSC45

Medium Back Revolving Chair designed for comfort and functionality. This chair features Polypropylene (PP) armrest, ensuring a comfortable place to rest your arms during extended periods of use. The Synchro Tilt mechanism allows for synchronized movement of the seat and backrest, facilitating easy adjustment to your preferred sitting position. The Gas Lift feature enables convenient height adjustments to accommodate various desk or workstation setups. The chair is constructed on a sturdy Nylon Base, ensuring stability and durability. Additionally, the seat is upholstered with crepe fabric, while the back features Mesh Tapestry, enhancing breathability and providing optimal airflow for added comfort.
